This morning we travel to Grand Bank. This town is made famous by its namesake schooners and its prolific fishing heritage. After lunch in Fortune, we catch our ferry to the Island of St. Pierre. With a population of 6500, the infrastructure is modern and urban. The residents are a combination of rotating French employees and those who have lived on the island for many generations. Their traditions are completely European with an interesting mixture of French and Basque culture and history. On arrival in St. Pierre we take a tour of the island. The late afternoon is left free. Tonight, we enjoy true French cuisine where we dine at one of St. Pierre's finest restaurants.

Others may choose to take a free morning in St. Pierre to visit the sites and museums or to ‘twack’ around in the shops that feature many imports from France and other parts of Europe.
