

## **5 DAY TOUR**

Enjoy five days of fun and intrigue on a cultural extravaganza in the City of Legends - St. John's, Newfoundland. No driving, no planning, no worries. Let the expert guides at McCarthy's Party Tours regale you with anecdotal interpretations and humorous stories about our brilliant history, unique geology, rich archaeology, and dramatic weather. A vibrant arts scene, including a bar and restaurant culture that's become the darling of the foodie world, ensures this is your time for a 'time' in the far east of the western world.

### **Day One**

Arrive in St. John's Newfoundland where you'll be greeted by a McCarthy's Party host who will provide you with a quick drive to your downtown hotel and give you a lay of the land. Once settled you can enjoy a walk through the historic district of Jelly Bean Houses, head for the pubs on George Street or hike Signal Hill's North Head Trail.

*Overnight St. John's.*

### **Day Two**

In the morning, take in a comprehensive tour of the City which will provide a proper introduction to its many wonderful attractions, including Cape Spear - the "Most Eastern Point in North America", Cabot Tower, and Quidi Vidi Village. This tour is a must-see as you will gain fun and in-depth insight into one of the most interesting and oldest cities in North America.

This afternoon we will take a boat trip to the renowned Witless Bay Ecological Preserve. This natural wonder supports millions of nesting Atlantic Puffins, Murres and Kittiwakes in the spring and summer. Keep a sharp eye out for whales which frequent this bay in great numbers during the summer months.

*Overnight St. John's. Breakfast. Whale Tour*

**Day Three**

Let's make our way "Up" the shore, heading south along the "Irish Loop" as far as historic Ferryland. We'll make plenty of stops for photographs, conversations, and mythical stories as we discover the tremendous wealth generated here in the 17<sup>th</sup> century. This area represents one of the world's most unique migrations when a single mass of 18<sup>th</sup> century Irish / English citizens laid the foundation upon which Newfoundland's culture was derived. Enjoy a traditional Newfoundland lunch and the kind of hospitality for which the Newfoundland people have become so famous.

*Overnight St. John's. Breakfast & Lunch.*

**Day Four**

This is a delicious day of discovery! Let's head 'Around the Bay' to explore the shores of Conception Bay, walk pebble beaches, hear tales of French invasion, marvel at daring aviation endeavors, visit pirate havens, and feel the vibrancy of our World War stories. We'll have a chance to chat with the locals, sample some tasty treats and hear the sounds and music that make Newfoundland such a special place to live and visit. A traditional midday meal is included. This afternoon we will stop for some traditional music and light refreshments.

*Overnight St. John's. Breakfast & Lunch.*

**Day Five**

All good things must come to an end and so we bid a fond farewell to our newest yet oldest Province. As you fly homeward it will be with many delightful memories of an authentic Newfoundland experience you will treasure for years.

*Breakfast.*

Or - if time allows - join us for our "Outports and Lucky Rocks" tour. This is a scenic drive that follows the rugged coastline and its surging North Atlantic waters. We'll visit the Ocean Sciences Center in Logy Bay, Middle Cove beach, and the outport community of Flatrock. Learn about the folklore, humour, and deep-rooted culture of the Newfoundland people along the way. In season, watch for icebergs, whales, seabirds, and capelin.
