### **Day Two**

A short drive on the Viking Trail places us in Gros Morne National Park & UNESCO World Heritage Site; a delightful coastal "run" that separates the Appalachian Mountains from the brilliant waters of the Strait of Bell Isle. *Overnight Plum Point*

*Breakfast, Midday Meal & Dinner*

### **Day Three**

This is one of the most significant days on the tour, exploring the UNESCO World Heritage site settled by 'Leif the Lucky' and the Viking adventurers who settled here in the year 1000 AD. This afternoon, we continue along the coast to St. Anthony and the hospital community established by the famous medical missionary, Sir Wilfred Grenfell.

*Overnight Plum Point*

*Breakfast & Midday Meal*

### **Day Four**

Keep a sharp eye out for whales, icebergs and unique seabirds as we embark on a quick ferry ride to the shores of Labrador. Here we visit a recently discovered Whaling Station used by the Basques people to render the oils that "Lit the lamps of Europe" in the early 1500's. Later we visit the tallest lighthouse in the province at L'Anse Amour.

*Overnight L'Anse au Clair*

*Breakfast & Midday Meal*

### **Day Five**

Take to the waters again as we maximize our wildlife viewing with a return ferry ride to Newfoundland. Continue exploring the majestic coastline of Western Newfoundland, stopping often to appreciate the many unique vistas, characters, and exhibits for which Newfoundland is so famous.

*Breakfast & Dinner*

**Day Six**

This day's adventure is dedicated to Gros Morne National Park & UNESCO World Heritage Site; starting with an interpretive boat tour across the gentle waters of beautiful Bonne Bay.
