A short drive on the Viking Trail places us in Gros Morne National Park & UNESCO World Heritage Site; a delightful coastal "run" that separates the Appalachian Mountains from the brilliant waters of the Strait of Bell Isle. Continue to the National Historic site at Port au Choix for an interpretation of the Maritime Archaic people who lived here over 3000 years ago.

*Overnight Plum Point*

*Breakfast, Midday Meal & Dinner*

### **Day Three**

This is one of the most significant days on the tour, exploring the UNESCO World Heritage site settled by 'Leif the Lucky' and the Viking adventurers who settled here in the year 1000 AD. *Overnight Plum Point*

*Breakfast & Midday Meal*

### **Day Four**

Keep a sharp eye out for whales and other marine mammals as we embark on a quick ferry ride to the shores of Labrador. Here we visit a recently discovered Whaling Station used by the Basques people to render the oils that "Lit the lamps of Europe" in the early 1500's. Later we visit the tallest lighthouse in the province at L'Anse Amour.

*Overnight L'Anse au Clair*

*Breakfast & Midday Meal*

### **Day Five**

Take to the waters again as we maximize our wildlife viewing with a return ferry ride to Newfoundland. Continue exploring the majestic coastline of Western Newfoundland, stopping often to appreciate the many unique vistas, characters, and exhibits for which Newfoundland is so famous.

*Overnight Rocky Harbour/Cow Head*

*Breakfast & Dinner*

**Day Six**

This day's adventure is dedicated to Gros Morne National Park & UNESCO World Heritage Site, starting with an interpretive boat tour across the gentle waters of beautiful Bonne Bay. In Woody Point we'll visit the park's new Discovery Centre and view the famous Tableland Mountains. It is this area that earned the park its nickname as the 'Galapagos of Plate Tectonics'.

*Overnight Rocky Harbour/Cow Head*

*Breakfast & Midday Meal*

**Day Seven**

Bid farewell to the west coast as we take an easterly trek, to a new geological frontier. A perfect harbour provides a beautiful backdrop for an eventful morning of whale interpretation and brilliant art exhibits. This afternoon commemorates the survivors of the 9/11 Tragedy and the many acts of kindness extended when we welcomed the 'Come From Away' guests into the homes and communities surrounding Gander; the epicenter of the hit Broadway musical.

*Overnight Gander*

*Breakfast, Midday Meal & Dinner*

**Day Eight**

The "Road to the Isles" will take us across causeways spanning the many "Tickles and Runs" leading to Twillingate Island. This is a dedicated fishing community that exhibits great wealth and culture and features spectacular cliff sides and coastal views. Later we'll wind through the beautiful forests and waterways of Newfoundland's first National Park, Terra Nova.

*Overnight Port Blandford/Clareville*

*Breakfast, Midday Meal & Dinner*

**Day Nine**

A true day of discovery starts in the historic village of Trinity, one of the oldest, perfectly restored towns in North America. Later we'll celebrate the beginning of European history, walking the same cliffs as John Cabot when he claimed "Buenavista" for King Henry in 1497. Spend a relaxing afternoon walking the seashore, engaging the locals, or touring the many historic premises for an opportunity to truly understand the inshore fishing techniques that have allowed Newfoundlanders to thrive for hundreds of years.

*Overnight Port Blandford/Clareville*

*Breakfast & Midday Meal*

**Day Ten**

Natural wonders abound on this morning's boat trip to the Witless Bay Ecological Reserve to views Atlantic Puffins, Murres and the millions of seabirds that nest on these coastal islands. This is a favorite feeding ground for Humpback, Minke, and Fin whales where frequent and multiple sightings are a definite possibility. Visit Cape Spear National Historic Park, the most easterly point of land in North America, before heading into St. John's, the provincial capital and cultural showcase.

*Overnight St. John's*

*Breakfast & Midday Meal*

**Day Eleven**

An historic tour of St. John's will provide a brilliant interpretation of North America's oldest city, and a proper orientation for your free time this afternoon. Visit Cabot Tower and Signal Hill to view the harbour's "Narrows" and admire the architecture of old St. John's, including the famous 'Jelly Bean Houses'. This afternoon is free to explore the many historic exhibits, walking trails and boutique shops and galleries that surround your hotel. This evening we share our Farewell Dinner.

*Overnight St. John's*

*Breakfast & Farewell Dinner*

**Day Twelve**
