Day Six

This day's adventure is dedicated to Gros Morne National Park & UNESCO World Heritage Site, starting with an interpretive boat tour across the gentle waters of beautiful Bonne Bay. Day Seven

Bid farewell to the west coast as we take an easterly trek, to a new geological frontier. A perfect harbour provides a beautiful backdrop for an eventful morning of whale interpretation and brilliant art exhibits. This afternoon commemorates the survivors of the 9/11 Tragedy and the many acts of kindness extended when we welcomed the 'Come From Away' guests into the homes and communities surrounding Gander; the epicenter of the hit Broadway musical.

Overnight Gander

Breakfast, Midday Meal & Dinner

Day Eight

Today we are off on the "Road to the Isles", travelling across "Tickles and Runs" to spend time on beautiful Twillingate Island. This is one of Newfoundland's oldest and most interesting fishing communities. We visit the lighthouse at Crow Head, the Auk Island Winery for a sample of their wares, and the Beothuk Centre in Boyd's Cove where we learn about the indigenous groups that once occupied Newfoundland.

Overnight Gander

Breakfast & Midday Meal

Day Nine

This morning we will visit the fishing community of Salvage on the Eastport Peninsula. Here we go for a walk in the town and hopefully have a chat with some of the locals. Next we travel to Terra Nova National Park to view the vistas of Newman Sound and to visit the park's Marine Interpretation Center. Here we will experience first-hand the variety of marine life found in the sounds and learn about this ecologically diverse area.

Overnight Port Blandford/Clareville

Breakfast, Midday Meal & Dinner

Day Ten

A true day of discovery starts in the historic village of Trinity, one of the oldest, perfectly restored towns in North America. Later we'll celebrate the beginning of European history, walking the same cliffs as John Cabot when he claimed "Buenavista" for King Henry in 1497. Spend a relaxing afternoon walking the seashore, engaging the locals, or touring the many historic premises for an opportunity to truly understand the inshore fishing techniques that have allowed Newfoundlanders to thrive for hundreds of years.

Day Eleven

Natural wonders abound on this morning's boat trip to the Witless Bay Ecological Reserve to views Atlantic Puffins, Murres and the millions of seabirds that nest on these coastal islands. This is a favorite feeding ground for Humpback, Minke, and Fin whales where frequent and multiple sightings are a definite possibility. Visit Cape Spear National Historic Park, the most easterly point of land in North America, before heading into St. John's, the provincial capital and cultural showcase.

Day Twelve

An historic tour of St. John's will provide a brilliant interpretation of North America's oldest city, and a proper orientation for your free time this afternoon. Visit Cabot Tower and Signal Hill to view the harbour's "Narrows" and admire the architecture of old St. John's, including the famous 'Jelly Bean Houses'. This afternoon is free to explore the many historic exhibits, walking trails and boutique shops and galleries that surround your hotel. This evening we share our Farewell Dinner.
